Noon – 13:30. Lunch (All)	Atrium, Palacio de Congresos
13:30 – 17:00. Plenary session (All) (Abstracts available at http://isapp.net/meeting_page.asp)	Auditorium, Palacio de Congresos
13:30 – 14:00. Update on the Human Microbiome Projects. Dusko Ehrlich, Current Chair of Steering Committee of International Human Microbiome Consortium (Francisco Guarner, host)	
14:00 – 14:30. Human Milk: Role of indigenous prebiotics and probiotics. Sharon Donovan, University of Illinois, USA (George Fahey, host)	
14:30-15:00. Relationship between gut microbes and metabolic syndrome. Fredrik Backhed, Wallenberg Laboratory, Sahlgrenska University Hospital, Göteborg, Sweden (Nathalie Delzenne, host)	
15:00-15 :30. Break	Atrium, Palacio de Congresos

15:30-16:00. Pili as a mediator of intimate host-microbe interactions – comparisons among pathogens, commensals and probiotics. Reetta Satokari, University of Turku, Finland (Todd Klaenhammer, host)	
16:00-16:30. Effect of Commensal and Pathogenic Bacteria on Programming of Neonatal Immune Response. Susanna Cunningham-Rundles, Weill Cornell Medical College, New York (Gregor Reid, host)	
16 :30-16:50. Guidance for substantiating the evidence for beneficial effects of probiotics: Results from the ILSI probiotic task force. Arthur Ouwehand, Danisco	
16:50-17:10. From Prebiotic Concept to Prebiotic Effects: Metabolic and Health Benefits. ILSI Europe Prebiotic Taskforce Report. Bernd Stahl, Danone	
17:15 - 18:00. SFA Poster Session, with authors.	Atrium, Palacio de Congresos
18:00 – 19:30. Late breaking news/rapid fire session (Gregor Reid, chair)	Biblioteca
19.30 – 19.45. Introduction to “Probiotic Q&A” (Agnes Meheust, ILSI Europe)	Biblioteca
20:00. Dinner - Buffet dinner (All)	Salon Pergola
Sunday, August 29	
9:00 – 16:00. 6 discussion/breakout groups (all participants divided among these 6 groups)	
1. Where pathogenesis and commensalism meet. Chair: Todd Klaenhammer, Co-chair: Colin Hill.	Garbi 1
2. Gut microbiota and disease. Chair: Francisco Guarner, Co-chair: James Versalovic.	Biblioteca
3. Bioactive compounds - the Grand Canyon of our field. Chair: Nathalie Delzenne; Co-Chair: Glenn Gibson.	Llobregat
4. Prebiotics and probiotics in perinatal nutrition. Chair: Michael Cabana, Co-Chair: David Mills.	Garbi 2
5. Health benefit claims for probiotic and prebiotic products. Chair: Mary Ellen Sanders, Co-Chair: Seppo Salminen.	Llevant
6. Probiotics and prebiotics to combat enteric diarrheal diseases and HIV in the developing world. Chair: Gregor Reid, Co-Chair: Dan Merenstein.	Gregal
16.00-20.00. Group activity (All)	Beach
20:00. Dinner (All)	Mirador (“H” on map)

Monday, August 30	
8:30 AM – noon. Wrap up session – reports from all 6 discussion groups (All) – adjourn meeting	Auditorium, Palacio de Congresos
Noon – 13:30. Lunch (All)	Atrium, Palacio de Congresos
13:30 – 15:30. Special IAC/BOD meeting on claims substantiation (IAC, BOD and special invitees only)	Auditorium, Palacio de Congresos
14.00 – 17.00. SFA visit to Lab of Dr. Francisco Guarner. Students/fellows only.	Research Institute, Vall d’Hebron Hospital
15:30 – 16:30. Board of Directors meeting (BOD only)	Auditorium, Palacio de Congresos
20.00. Dinner. Transportation will be arranged (IAC + BOD; ILSI – RSVP required)	Torreón Restaurant
