Students and Fellows Association Announces a New ISAPP Session “Opportunities Everywhere”

- Purpose:** Creating a fun and interactive moment in which students and fellows can benefit from the “life lessons” and perspectives gained by established scientists.
- Who is invited:** This session is targeted at students and fellows attending the ISAPP meeting, but is open to all ISAPP attendees interested in contributing to the discussion. This includes senior scientists wanting to support their own students at the meeting or back home, fellows willing to share important lessons learned, industry scientists able to provide perspective on industry careers, and others.
- Format:** Informal discussions (no slides) with experts on the listed themes.
- Location:** ISAPP meeting, Gran Hotel Don Jaime, ISLITA – Garden Area, near outdoor swimming pool.
- Date and time:** Saturday, August 28th, 9:30 – 11:50.
